

DAR Genealogical Education Program: PDF Documents

Instructions for Manipulating PDF Documents

The lesson handouts, document images and other documents associated with this program are provided to you in PDF format. You have several different options for downloading, saving and/or printing these documents. You must have a PDF Reader installed on your computer in order to view these documents. We suggest the free Adobe Reader that you can download [here](#).

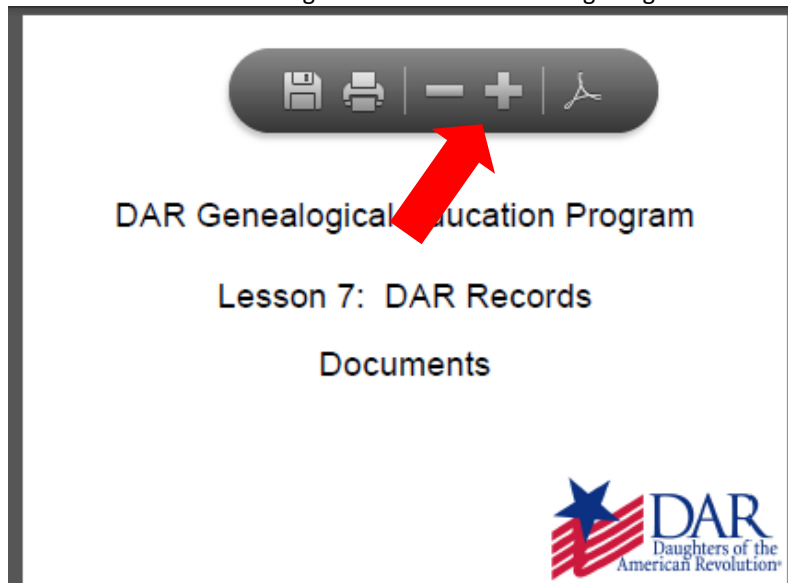

If you wish to print a PDF document using Adobe Reader:

1. Click on the link to open the document
2. Hover your mouse over the document until the floating toolbar appears.
3. Use the printer icon to print the document.

If you wish to view a document in your Internet browser using Adobe Reader:

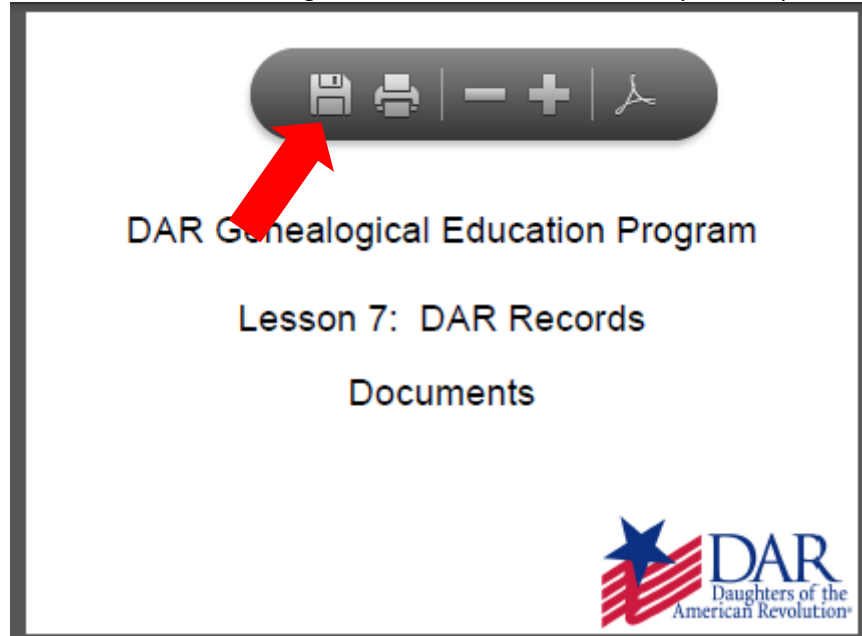

1. Click on the link to open the document
2. Hover your mouse over the document until the floating toolbar appears.
3. Use the + and - icons on the floating toolbar to make the image larger or smaller.

DAR Genealogical Education Program: PDF Documents

If you wish to view a document in your Internet browser using Adobe Reader:

1. Click on the link to open the document
2. Hover your mouse over the document until the floating toolbar appears.
3. Use the save icon on the floating toolbar to save the document to your computer.

4. Then use the Rotate and Zoom features in the View menu to make the document images more readable.
